Sunrise Medical Laboratories Announces an Exclusive Lab Agreement with Elderplan

February 18, 2010 – Sunrise Medical Laboratories (Sunrise) announced that it has signed a new laboratory agreement with Elderplan, a not-for profit Medicare Advantage Organization with a Medicare contract. Beginning May 1, 2010, Sunrise will be the exclusive non-facility based provider of all laboratory services for Elderplan's nearly 16,000 members.

Patient access will be available through Sunrise's existing network of couriers and twenty-two Patient Service Centers. New patient service center lab locations will be added as a result of the agreement.

About Elderplan

Elderplan started as one of the four original Social Health Maintenance Organizations (SHMOs) in the country. Twenty-five years later, Elderplan, a Medicare Advantage Organization with a Medicare contract, serves nearly 16,000 seniors and adults with chronic disabilities in the Bronx, Brooklyn, Queens, Manhattan and Staten Island. A not-for-profit organization, Elderplan offers a variety of plans tailored to fit the changing needs of Medicare and Dual Eligible (individuals who qualify for both Medicare and Medicaid) beneficiaries at every level of health living in the Greater New York area.
