Sunrise Medical Laboratories Named to Inc. 5000

Sunrise Medical Laboratories has been named to **Inc. Magazine's "5000 Fastest Growing Private Companies in America."** The Inc. 5,000 is ranked according to percentage revenue growth from 2003 through 2006. From 2003 through 2006 Sunrise experienced 48.7% growth.

Larry Siedlick, CEO and Pat Lanza, President issued the following statement: "We are grateful to the entire Sunrise staff. It was their efforts that made this possible."

Founded in 1972, Sunrise Medical Laboratories is the premier regional diagnostic laboratory in the northeast and has recently become one of Sonic Healthcare's worldwide federated laboratories. The company provides physicians, hospitals and clinical laboratories with advanced biomedical testing services that support the prevention, diagnosis and treatment of medical diseases. Sunrise is the industry leader in electronic reporting and laboratory-physician computer links with its trademarked SunData xT System, supplying a direct computer link between the lab and the various clinical settings where patients are seen.

The New York-based clinical laboratories employ over 300 professionals and provide services through an extensive courier network as well as Patient Service Centers throughout the Long Island and New York metropolitan area.
